Contents

- Traffic safety organisation in Fryslân
- Reason for setting up a NEST
- Choice of the type of NEST
- Origin and development of the NEST
- Accommodated partners & Activities undertaken
- Short YouTube video

Traffic safety organisation in Fryslân

- Decentralisation
- Objectives
- Vision and strategy
- Cooperation form
- Implementation
- Funding

Reason for setting up a NEST

- Figures from the past
- Traffic safety analysis
- Necessity for powerful and innovative approach
- Combining strenghts
- Need for a modern driving ability centre

Choice of the type of NEST

- The NEST location as an educational site
- NEST as (office) facility for organisations
- NEST as a combination of both

Origin and development of the NEST

- ROF played a mostly directive role
- Mutual cooperation
- NEST phase I & II

Accommodated partners & Activities undertaken

- VVN, SBV, Fietsersbond, RYD, Trials, SBV Baanexploitatie B.V., Kreeft B.V., ROF
- Safety training agricultural machines, Driving ability trainings, 'Trials', 'Sober on the road', Driving tests, Conferences, Meetings
