**When students create for road safety,
PanHellenic Student Contest of Digital
Creativity**

R.S.I. "Panos Mylonas" and Learning Television of Dept. of Education are organizing a PanHellenic Student Contest of Digital Creativity dedicated on road safety. Primary school students are asked to use their imagination and send the message "On the road with caution", whereas Secondary school students will express their creativity on "Road safety: everyone's right".

Informative visit on road safety issues to Domvrena Secondary School

Deadly road accidents are rising in France and authorities are rigorous to drivers who use smartphones while driving. It is illegal to hold a smartphone in car while driving in public areas or even when standing aside the road blocking or not the traffic. Drivers should park in designated spots in order to use their smartphone. All the above do not apply when car is damaged or in case of accident occurs. (Read More: <https://bit.ly/2HZkSD4>).
